

2011 Yamaha Motocross riding gear specifications

MX Pro–Limited Edition

MX Pro–Limited Edition Jersey (Size: M-XXL) – £46.99

- Lightweight breathable panel construction throughout
- Raglan cut sleeves with narrow stretch cuffs
- Breathable mesh inserts at neck and armpits for optimum airflow
- Narrow stretch collar with additional stretch panels for comfort and movement
- Sublimation print graphics for better wash resistance

MX Pro–Limited Edition Pant (Size: 28"-40" Waist) – £132.99

- Ergonomic pre-curved Armortex® outer for exceptional resistance against abrasion, puncture and tearing
- Expansion panel inserts at knees, groin, calf and lower back for exceptional movement and airflow
- Ventilated inner lining and heat exhaust panels at lower back to aid cooling
- Removable impact protection at hips
- Protective 3D rubber patches on knees and waist band
- Leather inner knee patches for season long durability and heat protection
- Elasticated inner waist band with ratchet closure system and adjustable side straps for optimum fit.

MX Pro–Limited Edition Gloves (Size: 7-12) – £35.99

- Ventilated micro-mesh core construction with Airprene® panel at wrist for superb flexibility and airflow
- Ergonomic cut fingers to reduce bunching
- Knuckle stretch inserts for airflow and comfort
- Silicon print on palm and fingers for extra grip
- Clarino® synthetic leather palm with additional layering in high impact areas
- External 3D rubber detailing for additional protection
- Adjustable Velcro wrist fastener

MX Start
