* Not applicable to retail or private car buyers. BIK values are the monthly taxation payment applicable to company car users. BIK values were correct at the time of printing and are based on taxation rates for 2014/15 tax year. P11D value is the sum of Recommended price + VAT & Number plate charge (£25). **P11D values have been calculated using Ford Test CO₂ performance data and could be subject to change once officially confirmed in September/October 2014.

† On the road* price includes one year's road fund licence, DVLA first registration fee and an estimated £25 for number plates. ** Road fund licence charge is derived using Ford Test CO₂ performance data and could be subject to change once officially confirmed in September/October 2014.

‡ On the road* price includes one year's road fund licence, DVLA first registration fee and an estimated £25 for number plates. ** Road fund licence charge is derived using Ford Test CO₂ performance data and could be subject to change once officially confirmed in September/October 2014.

Titanium with 19" wheels - Recommended Price is the sum of the Titanium series and 19" Alloy Wheels Recommended Prices. Price quoted separately due to increased CO₂ output with larger wheels. **CO₂ figures quoted are Ford Target CO₂ performance data, Official confirmation is expected in September/October 2014

Effective from 29th September 2014

FUEL & PERFORMANCE WITH STANDARD SPECIFICATION ALLOY WHEELS

The fuel economy figures quoted in the table below are achieved by following strict EU governed test procedures and are specifically designed to enable customers to compare vehicles from all manufacturers on a like-for-like basis. Fuel consumption is directly affected by the length of the journey; number of passengers and amount of luggage carried; individual driving style; road and traffic conditions; weather conditions; vehicle age, mileage, condition and standard of maintenance; use of vehicle features such as air conditioning; and any modifications to the vehicle such as the addition of a roof rack. Your fuel economy will vary based on these and other factors and, for these reasons, many drivers may not achieve the EU fuel economy figures (below) in day-to-day driving, although the vehicle is technically capable of doing so.

**CO₂ figures quoted are Ford Target CO₂ performance data, Official confirmation is expected in September/October 2014. Please note that Road Fund Licence charges and BIK rates could be subject to change as a result of this.

ØThe declared fuel / energy consumptions, CO₂ emissions and electric range are measured according to the technical requirements and specifications of the European Regulation (EC) 715/2007 and (EC) 692/2008 as last amended. Fuel consumption and CO₂ emissions are specified for a vehicle variant and not for a single car. The applied standard test procedure enables comparisons between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors are very important in determining a car's fuel/energy consumption, CO₂ emissions and electric range. CO₂ is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO₂ emissions which contains data for all new passenger car models is available at any point of sale free of charge or can be downloaded from <http://carfueldata.dft.gov.uk/>.

FUEL & PERFORMANCE WITH OPTIONAL 19" ALLOY WHEELS

The fuel economy figures quoted in the table below are achieved by following strict EU governed test procedures and are specifically designed to enable customers to compare vehicles from all manufacturers on a like-for-like basis. Fuel consumption is directly affected by the length of the journey; number of passengers and amount of luggage carried; individual driving style; road and traffic conditions; weather conditions; vehicle age, mileage, condition and standard of maintenance; use of vehicle features such as air conditioning; and any modifications to the vehicle such as the addition of a roof rack. Your fuel economy will vary based on these and other factors and, for these reasons, many drivers may not achieve the EU fuel economy figures (below) in day-to-day driving, although the vehicle is technically capable of doing so.

Engine	Euro		Maximum Power PS (KW)	Torque Nm	CO ₂ Emissions (g/km) Ø	Urban		Extra Urban		Combined		Max Speed (mph)	0-62 mph (secs)	31-62 mph (secs)

M	Over 255	25.00	55.00	1090.00	1170.00

The delivery charge is included in the Basic Recommended Retail price and is made on all models for delivery to the Dealer's premises. Where delivery is not made to the customer at the Dealer's premises a further charge may be made by the Dealer.

The Vehicle Excise Duty (VED) charged on new cars is based on their engine's CO₂ emissions* (expressed in grams per kilometre (g/km)). CO₂ emissions are measured according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EC) 692/2008 as last amended.

The chart above shows the Bands and the VED which will be levied (effective 1st April 2014).

Note:

For any more information about any of the included Ford Accessories, or to view the rest of the exciting Ford Accessories visit www.ford-accessories.co.uk

This price list shows both original Ford accessories as well as a range of carefully selected products from third party suppliers, identified under that third party supplier's brand name. Please note that third party supplier branded accessories do not come with a Ford warranty but are covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer.

Prices do not include fitting unless otherwise stated. Please refer to your Ford Dealer for fitted prices.

FORD PROTECT

Every new Ford car sold is protected by a 3-year/60,000 mile Ford Warranty. In addition, it will also come with Ford Assistance for 1 year, providing roadside assistance in the UK and throughout Europe. If you plan on keeping your car for longer than 3 years or are a high mileage driver you can extend your 3 year/60,000 miles warranty to either 4 years/80,000 miles or 5 years/100,000 miles.

Ford Protect Classic 4th/5th Year Extended Warranties

Features:

- Cover against the cost of repair or replacement of defective parts, or to repair a material, assembly or manufacturing defect recognised by Ford
- Protection against unexpected repair bills
- All repairs will be carried out by Ford Authorised Dealers using genuine Ford parts

Ford Protect Classic extended warranty plans can be purchased any time up until the vehicle's first date of registration

4th/5th Year Extended Warranty Prices

Plan Length	Mileage Limit	Classic	Extended Warranty Plan (inc. VAT @20%)
3years	60,000	NoFee	
Plan Enhancements			
4years	80,000		£160.00
5 years	100,000		£300.00

Ford Protect Premium Plan

You can also upgrade to a Ford Protect Premium Plan giving you the option of scheduled services and extended Ford Assistance.

Features:

- Scheduled Servicing; covers scheduled servicing recommended by Ford, including associated parts and labour, for the number of services applicable to your plan; replacement brakefluid (every other year); bodywork and paint check (annually); air conditioning check (at third service)
- Extended Ford Assistance; roadside assistance in the UK and throughout Europe
- Vehicle Hire; up to £30 per day for up to 7 days

Ford Protect Premium Plans can be purchased any time before the first service.

Premium Plan Prices

Plan Length	Mileage Limit	No. of services	Classic	Premium Plan (inc. VAT @20%)
3 years	60,000	N/A	No-Fee	
Plan Enhancements				
2 years*	80,000	2		£390.00
3 years	100,000	3		£690.00

* the no-fee warranty element of this plan applies for 3 years/60,000 miles

Notes and Conditions

- The length of your plan (and number of services on Premium Plans) applies from your new vehicle warranty commencement date, usually the date of first registration
- Time and mileage limits apply to all Ford Protect Plans
- It is a condition of Ford Protect Premium Plans that your vehicle is serviced by an Authorised Ford Repairer according to the schedules in your Ford Service Portfolio
- In addition your Ford Service History Log must be kept up-to-date
- These Ford Protect Plans are transferable so it is an added benefit to the new owner if you decide to sell your vehicle
- Prices were correct at time of printing and include VAT at 20%
- Ask your Ford Dealer for full details of the Ford Protect Extended Warranty or Premium Plans and their associated Terms and Conditions or alternatively call Ford Protect on 0870 241 6726 or visit www.ford.co.uk

OTHER PRICING CONSIDERATIONS

Customer Order Price Protection

Ford's Price Protection Plan means that the price you pay is the same as the price on your order as long as you are prepared to accept delivery within three months, and in any event, as soon as your vehicle is available. Your Dealer has full details of the plan. Ford Motor Company Ltd is not liable for changes in price caused by Government changes in tax rates or changes in other applicable legislation.

VAT

VAT is shown calculated at 20%. The total price of a vehicle, including factory fitted options and accessories fitted by the Ford Dealer, will be subject to VAT on retail sale.

Price Changes

This price list is effective from 29th September 2014, and supersedes all previous price lists. The prices in the publication were true and accurate at the time of printing. You should, however, check details with your Dealer as there may have been changes in view of Ford's policy of continuous development. The right is reserved to change prices at anytime. Change to government legislation or tax changes could result in a change to published prices.

ILLUSTRATIONS, DESCRIPTIONS AND SPECIFICATIONS

The product information in this publication was correct at the time of going to print. However, Ford's policy is one of continuous product development. The right is reserved to change specifications and colours of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability.

Some images portrayed are of a pre-production model and/or are computer generated, therefore the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional e.g. metallic paint.

Please also note some driver assistance features and safety features described in this publication are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.
