## 2024 IONIQ 5: Power for all

- 2024 IONIQ 5 brings enhanced line-up, and more affordable range-opener
- Range & efficiency benefits of heat pump, battery heating system and battery conditioning for every variant
- Choice of RWD or AWD for DYNAMIQ and EPIQ grades, with digital mirrors now offered for as an option on EPIQ grades
- 2024 IONIQ 5 is available now priced from \$64,500 (MLP)

**25 September 2023** - Introducing 2024 IONIQ 5 which is offered in a line-up enhanced to deliver maximum accessibility and value.

The 2024 range ushers in the most affordable IONIQ 5 ever, so more customers can enjoy the model's game-changing all-electric experience.

The new line-up also improves access to the government subsidies and stamp duty exemptions available in selected states and territories across Australia.

2024 IONIQ 5 now features a heat pump, battery heating system and battery conditioning as standard - for greater efficiency and driving range - and IONIQ 5 DYNAMIQ and EPIQ now give customers the choice of a RWD or AWD drivetrain.

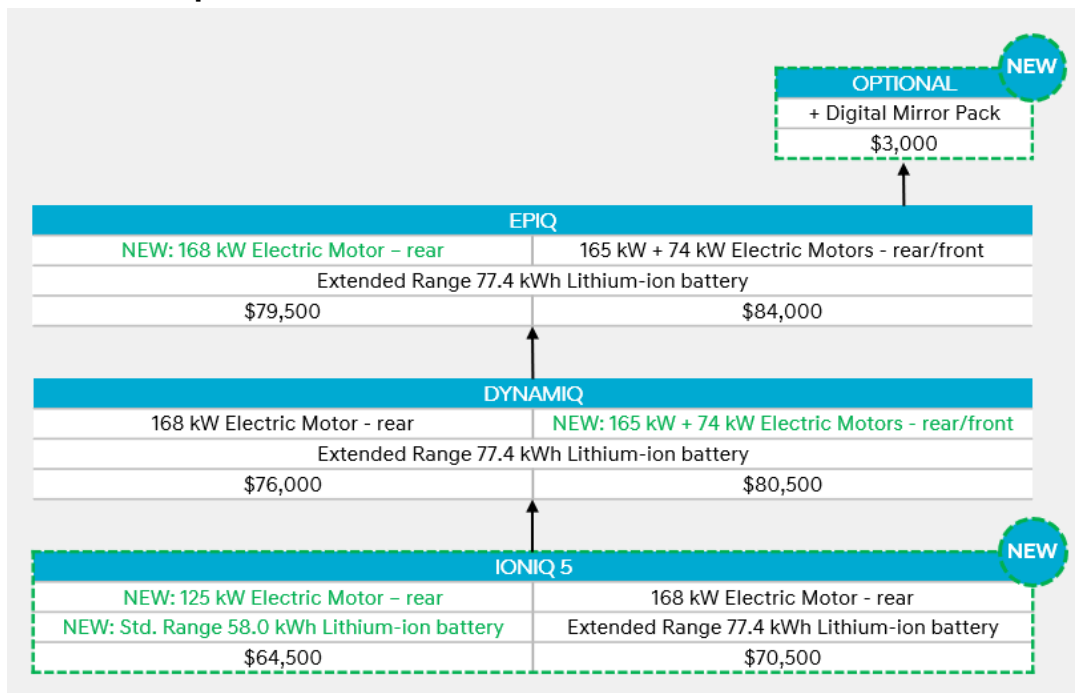

The new entry model 2024 IONIQ 5 is now available with a Standard Range 58 kWh battery delivering 384 km of range (WLTP), or carryover Extended Range 77.4 kWh battery.

The 2024 IONIQ 5 entry trim also sees the debut of a new eco-friendly interior, with seats upholstered in a combination of eco-friendly wool blend yarn, paired with eco-processed leather bolsters. The Australian sourced 30% wool yarn and polyester blend seat coverings reduce CO<sub>2</sub> in the production process by up to 24% compared to conventional polyester seat coverings.

Drawing on customer feedback digital mirrors, and new for 2024 digital centre rear-view mirror, are now offered as an option for EPIQ grade as part of the newly introduced Digital Mirror Package.

“An enhanced line-up for 2024 IONIQ 5 makes our multi-award-winning EV even more appealing and accessible to customers, accelerating progress towards our vision for clean mobility,” said Hyundai Motor Company Australia Chief Executive Officer, Ted Lee.

### Model line-up

### 2024 IONIQ 5 CHANGES

#### Key details

2024 IONIQ 5 is available in three trims - IONIQ 5, DYNAMIQ and EPIQ - with a heat pump, battery heating system and battery conditioning now standard across the range.

The new range-opening IONIQ 5 trim is available in rear-wheel drive with a choice of standard or extended-range battery.

DYNAMIQ and EPIQ trims are now available with a choice of RWD or AWD drivetrain, and the DYNAMIQ trim now includes 20-inch alloy wheels as standard.

## Powertrain summary

	2024 IONIQ 5		
Battery	Standard Range 58.0 kWh - NEW	Extended Range 77.4 kWh	
Drive	Rear Wheel Drive	Rear Wheel Drive	HTRAC Dual Motor
Motor power	125 kW	168 kW	74 kW + 165 kW
Motor torque	350 Nm	350 Nm	255 Nm + 350 Nm
WLTP Range	384 km (19" wheel)	507 km (19" wheel) 476 km (20" wheel)	454 km (20" wheel)

## Digital Centre Mirror (DCM)

2024 IONIQ 5 EPIQ trim vehicles equipped with the optional Digital Mirror Package will gain a new Digital Centre Mirror (DCM), in addition to Digital Side Mirrors (DSM).

This full-display digital centre rearview mirror uses a separate rear camera to give the driver a clear view behind the vehicle, without the obstruction of passengers, cargo or even heavy rain.

The DCM provides a 50-degree rear view angle, which is substantially greater than the 20-degree rear view angle of a conventional rearview mirror, and underpins greater safety when reversing.

The DCM reverts to a conventional electrochromic mirror (ECM) with the flick of a lever, can be adjusted for view height and brightness, and automatically lowers the image (along with the dipping side mirrors) when reversing, for a seamless experience.

## Pricing

Powertrain	Battery	Transmission	IONIQ 5	DYNAMIQ	EPIQ
125kW 2WD	53kWh	Reduction gear - rear	\$64,500	-	-
168kW 2WD	77.4kWh	Reduction gear - rear	\$70,500	\$76,000	\$79,500
239kW AWD	77.4kWh	Reduction gear - rear & front	-	\$80,500	\$84,000

Option pricing	IONIQ 5	DYNAMIQ	EPIQ
Matte Paint	-	\$1,000	\$1,000
Digital mirror pack	-	-	\$3,000

**Note:** All prices are Manufacturer's List Price (MLP) and include Luxury Car Tax (LCT) where applicable. Price excludes delivery and on-road costs.

## SPECIFICATION OVERVIEW

IONIQ 5		125 kW Standard Range - RWD 168 kW Extended Range - RWD
<b>Key specifications:</b>		
Heat pump	Trailer pre-wiring package	Auto up/down front windows
Battery heating system	19" Alloy wheels	Convenience front window open/close
Battery conditioning function	235/55 Michelin Primacy 4 tyres	Power child lock – rear doors/windows
7 airbags – incl. front centre side airbag	Tyre Mobility Kit (TMK)	10-way power driver seat
SmartSense™ including:	Auto dusk sensing headlights	- including 2-way lumbar support
- Forward Collision-Avoidance Assist;	LED headlights, including:	6-way manually adjustable passenger seat
- Car / Pedestrian / Cyclist detection	- Low/high beam – projector type	2-way manual rear seats – fore/aft (60:40)
- Junction Turning & Crossing	- Positioning lights	60:40 split fold rear backrest with recline
- Lane Change Oncoming & Side	- Daytime Running Lights (DRL)	12.3" digital instrument cluster
- Evasive Steering Assist	- Turn signals	Adjustable ambient lighting
- Blind-Spot Collision Avoidance-Assist	LED front light guide – hidden type	ECM interior mirror
- Blind-Spot View Monitor	LED tail and rear combination lights	Sliding glovebox – 9.4L capacity
- Driver Attention Warning, including:	Acoustic laminated windscreen	Shift by Wire – column mounted
- Leading Vehicle Departure Alert	Acoustic laminated side door glass (F/R)	Paddle shifters – regenerative brake control
- High Beam Assist	Solar control windscreen/front door glass	Smart Key with push button start
- Intelligent Speed Limit Assist	Power door handles - capacitive touch	Remote start – via Smart Key
- Lane Following Assist	Heated & power folding side mirrors	Smart Parking Assist (SPA)
- Lane Keeping Assist - Line/Road-Edge	Rain sensing aero wipers	Remote Smart Parking Assist (RSPA)
- Manual Speed Limit Assist	Gloss black window frame/mirror trim	12.3" Multimedia navigation unit
- Parking Collision-Avoidance Assist – Rear	Satin chrome door & bumper trim	Android Auto/Apple CarPlay - wired
- Parking Distance Warning – Front/Rear	Liquid silver body cladding	Multi-Bluetooth connectivity
- Rear Cross-Traffic Collision-Avoidance	and front/rear skid plates	6 Speaker audio system
- Rear Occupant Alert – logic type	Wool yarn/eco-processed leather appointed combination seats	Wireless phone charger (Qi standard)
- Safe Exit Assist	Leather appointed steering wheel	2 x USB-A charging ports - front
- Smart Cruise Control, including:	Premium bio-PET carpet	2 x USB-A charging ports - rear
- Stop & Go function	Cloth knit headlining	1 x 12V socket - front
- Machine Learning function	LED interior lighting	1 x 12V socket - cargo
- 3D Surround View Monitor	Alloy scuff plates	Dual zone climate control with auto defog
Tyre Pressure Monitoring System (TPMS)	Cargo blind	Rear air vents
Electronic Park Brake (EPB) – with auto hold	527L cargo – with underfloor storage	Cabin air filter
Drive Mode – Eco, Normal, Sport, Snow	57L front under-bonnet cargo capacity	Virtual Engine Sound System (VESS)
i-Pedal mode (one pedal driving)	Alarm	Portable emergency charging cable – ICCB
Smart regenerative braking 2.0		Vehicle To Load (V2L) function – Inside

## IONIQ 5 DYNAMIC

168k W Extended Range - RWD  
165 kW + 74k W Extended Range - AWD

### Key specifications above IONIQ 5:

20" Alloy wheels	Eco-processed leather appointed seats	Alloy pedals
255/45 Michelin Pilot Sport EV tyres	Heated front seats	Luggage net
Privacy rear door/tailgate glass	10-way power passenger seat	Head-Up Display, including:
Smart Power tailgate	- including 2-way lumbar support	- Augmented Reality mode (AR HUD)
25L front under-bonnet cargo capacity - AWD	Sliding centre console	BOSE™ premium audio with 8 speakers

## IONIQ 5 EPIQ

168 kW Extended Range - RWD  
165 kW + 74 kW Extended Range - AWD

### Key specifications above DYNAMIQ:

Vision Roof – fixed glass panel, including: - power sunshade	Memory driver & all passenger seats (F/R)	Ventilated front seats
	2-way power rear seats – fore/aft (60:40)	Heated rear seats
Premium 'relaxation' seats – front	Rear door sunshades	Heated steering wheel

## Digital Mirror Pack - optional on EPIQ

Includes:	- Digital Side Mirrors (DSM)	- Digital Centre Mirror (DCM)
-----------	------------------------------	-------------------------------

### NOTE:

- 1) Outside Vehicle To Load (V2L) adapter available as an accessory
- 2) All specifications listed are subject to change upon the completion of specification audits
