

Saddlemen Sportbike & Adventure TRACK Seat Personalization Program

Material Matrix & Example

Want a personalized seat? Check Saddlemen's Sportbike or Adventure TRACK listings, find the seat application for your motorcycle, select the cover material and thread color and call us with your needs. We'll build your seat just the way you want it - and if you want it even more custom, we can do that too!

Seat	Center strip code	Seating panel code	Edge panel code	Thread stitch code
ZX10R	G1	B2	B1	G1

Produces a Kawasaki-brand seat with lime-green center strip, black carbon-fiber style vinyl in the seating area, smooth black vinyl on the sides with lime-green thread.

Note: The Edge Panels on an Adventure Track seat must remain smooth vinyl (B1)

Center Strip

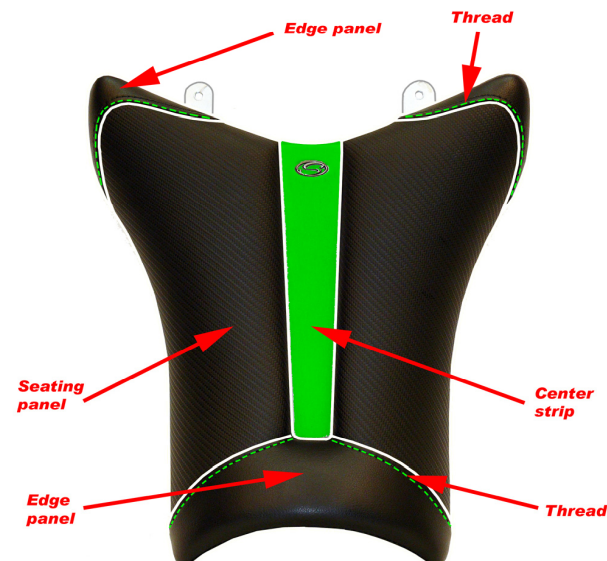

Code	
B1	Black (smooth)
