---

<b>Total Price*</b>	<b>\$152,910</b>
---------------------	------------------

---

\*All information is subject to change without notice. Neither Porsche Cars North America, Inc. nor the manufacturer can accept liability arising from the use of any information contained herein. Only an actual invoice issued by PCNA at the time a vehicle is sold to an authorized Porsche Center may be used as an official indication of equipment and pricing. The Total Manufacturers Suggested Retail Price (MSRP) shown excludes taxes, title, registration, other optional or regionally required equipment, and dealer charges. The price and availability of Individually Commissioned Equipment (CXX) can be determined only after review and analysis by the manufacturer. Actual selling prices are set by dealers and may vary.

The Porsche Financial Services, Inc. payment estimator tool helps you estimate the payment for finance or lease transactions for new vehicles based on the variables you enter into the tool. Payment samples are illustrative only. This is not an offer of sale or lease, extension of credit or a commitment to offer financing. Estimates may include certain tax credits or rebates. Actual finance or lease pricing will be based on the final negotiated price and terms agreed upon by you and your U.S. authorized Porsche Center. Terms offered by Porsche Financial Services change frequently and the terms you enter may not be available at the time you finance or lease your Porsche vehicle. Financing and leasing rates will vary based on creditworthiness, and not all applicants will qualify. The sample estimates exclude any title, taxes, registration, license fees, insurance, excess mileage charges, Equipment accessories, maintenance and/or dealer fees. No security deposit is required. Please see your U.S. authorized Porsche Center to help you determine the selling price, your actual payment, terms and any special offers.

Information for our customers:

While we strive for accurate configurator visualizations, there are some options that may not be rendering accurately at this time. We are working on this, but in the meantime, we recommend consulting with your Porsche Center for the final details. Thank you!

---

- Smartphone compartment with wireless charging (up to 15W)
- BOSE® Surround Sound System
- Apple® CarPlay with Siri® voice recognition

### E-Mobility

---

- 11 kW On-Board Charger
- Mobile Charger Base
- Supply Cable for NEMA 14-50 Electrical Socket
- Supply Cable for U.S. Socket Types
- Basic Wall Mount

### Others

---

- Tire Valve in Black

# Macan Turbo Electric

## Technical Data

### Motor

Power up to (kW)	430 kW
Power up to (HP)	576 hp
Overboost Power with Launch Control up to (kW)	470 kW
Overboost Power with Launch Control up to (HP)	630 hp
Max. torque with Launch Control	833 lb-ft

### Charging

Gross battery capacity	100.0 kWh
Net battery capacity	96.0 kWh
Charging time for alternating current (AC) with 9.6kW (0 to up to 100%)	11.0 hrs
Charging time for direct current (DC) with 150kW (10 to up to 80%)	33.0 min
Charging time for direct current (DC) with maximum charging power (10 to up to 80%)	21.0 min

### Body

Length	188.4 in
Width w/ mirrors folded	76.3 in
Width	84.7 in
Height	63.8 in
Wheelbase	113.9 in
Turning circle diameter	39.7 ft
Curb weight	5,393 lb
Gross Vehicle Weight Rating (GVWR)	6,504 lb
Maximum load	1,111 lb
Towing capacity	4,409 lb

## Macan Turbo Electric

---

Maximum permissible roof load with Porsche roof transport system	165 lb
--	--------

---

### Capacities

---

Front luggage compartment volume	2.9 ft <sup>3</sup>
----------------------------------	---------------------

---

Rear luggage compartment volume	16.9 ft <sup>3</sup>
---------------------------------	----------------------

---

Rear luggage compartment volume (w/ seats folded)	45.4 ft <sup>3</sup>
---	----------------------

---

### Performance

---

Top track speed (with summer tires)	161 mph
-------------------------------------	---------

---

0 - 60 mph with Launch Control	3.1 s
--------------------------------	-------

---

### Terrain Features

---

Max. wading depth (air suspension, high level)	13.3 in
--	---------

---

Ramp break-over angle (air suspension, high level)	18.0 °
--	--------

---

Max. ground clearance (air suspension, normal level)	7.2 in
--	--------

---

Max. ground clearance (air suspension, high level)	8.8 in
--	--------

---
