**THE 23 EXPERIENCE,
ENHANCED.**

Own an incredible race car built to give you the ultimate driving experience. This limited edition has been designed by JRM Racing – World Champions in the Nissan GT-R Nismo GT1. Celebrating a 10-year relationship with the global brand, JRM knows the GT-R inside out and their team of designers, engineers and racing drivers have taken the astounding car and created something special.

Experience it for yourself.

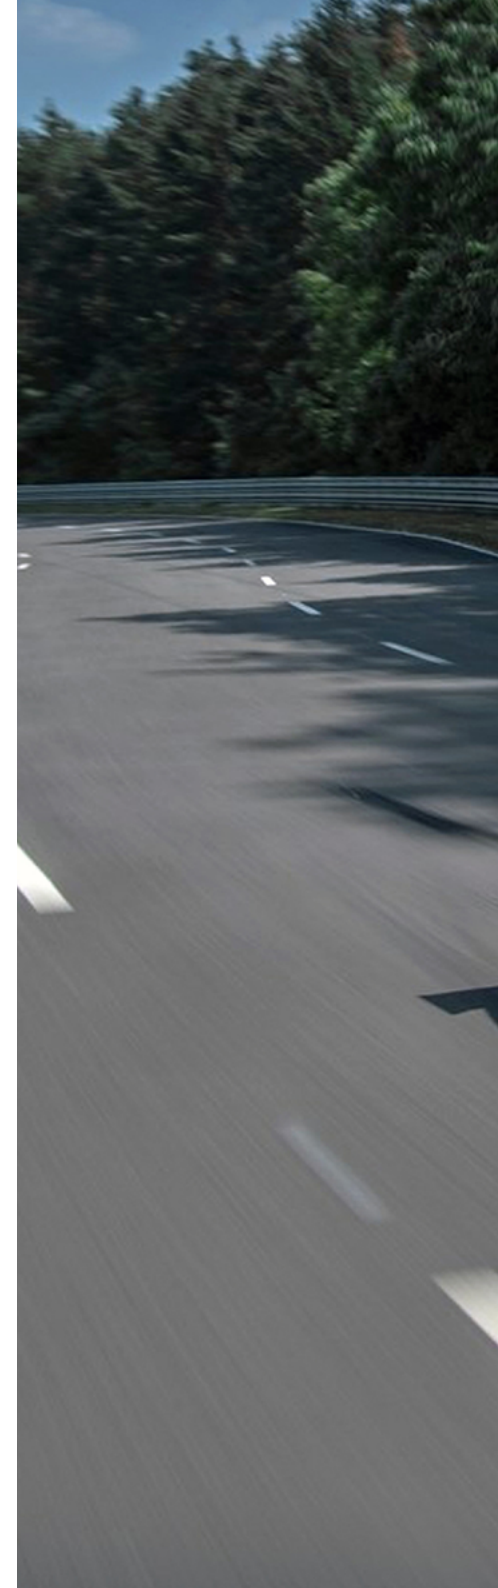

DESIGNED WITH RACING IN MIND

Get back to experiencing raw speed, sheer power and the ultimate in performance. Road-legal and ready to drive, your car will have JRM's racing heritage running through its veins. Every element has been carefully considered to give the purist of driving experiences.

It's built for the road but let it loose on the track to feel it's full potential. Enhance it with a JRM Extreme Pack and it'll give you a whole new level.

ROLL OF HONOUR

Set it up for competition. Head to the track and use the JRM GT23 app to record your lap times, pitting it against the other 22 cars in the limited-edition fleet, competing to keep yours at the top of the leader board.

UNRIVALLED PERFO

Experience Pack

Head to a JRM Racing Experience day with fellow GT23 owners where you can really feel the capabilities of the car.

Have your car stored with us or transported to race track where you'll be met by JRM technicians and engineers who will set-up your GT23 in a private garage to get you primed for the track and ready to give you the best driving experience. Enjoy hospitality and competition at some of the best race tracks in the world. Driver coaching will also be available on the day should you wish to use it.

The dates available will be released in 2020, ready for a Spring 2021 start. The JRM GT23 team are also available for your own private events – please discuss these options with your VIP Account Manager.
