<p>"Dynamic" Motor Tuning Unit specially made for Defender 2.2 TDI Diesel</p>		HF 4229	1 piece	549,-			
<p>"Dynamic": Attention: The here above declared increased motor power is "approx.-data". The real increase depends on the serial basic motor and its scattering of the final individual basic power of each motor. This scattering could be significant and as result of this, the power increase could be more or less than the above offered power data.</p>
