S = Standard O = Factory Option that can be ordered before a vehicle is manufactured P = Part of a Pack

1. Maximum braked towing capacity when fitted with a genuine Ford Tow Pack. Subject to State and Territory regulations. Further weight restrictions apply, please consult your authorised Ford Dealer and/or refer to the Owner's Manual for guidance. 2. Apple CarPlay / Android Auto requires phone with compatible version of Apple iOS / Android™ (as applicable), active data service, and connection cable (sold separately). SYNC[®] does not control Apple CarPlay / Android Auto while in use. Apple / Google and other third parties are responsible for their respective functionality. Message and data rates may apply. Apple CarPlay, Siri Eyes Free, iPod and iPhone are trademarks of Apple Inc. registered in the US and other countries. Android Auto and Google Maps are trademarks of Google Inc. Ford Applink[®] is available on selected SYNC[®] models and is compatible with select smartphone platforms. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. 3. Bluetooth[®] is a registered trademark of Bluetooth SIG, Inc. and is under license. Some phones not compatible. 4. SYNC[®]3 features are not compatible with all phones. For compatibility, see ford.com.au/sync. 5. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate in some driving and road conditions (including at certain speeds) or adverse weather. 6. Emergency Assistance feature needs a paired and in range mobile phone. Can activate in the event of a crash which deploys an airbag or activates the fuel pump shut off. 7. The Ranger Tradesman is based on the 4x4 XL Double Cab Pick-up 3.2 Diesel and all weights and dimensions shown are for the 4x4 XL Double Cab Pick-up 3.2 Diesel without Ranger Tradesman's standard accessories. Vehicles should be weighed before adding additional load, accessories or towing a trailer to ensure the maximum Gross Vehicle Mass (GVM) and Gross Combined Mass (GCM) are not exceeded. 8. Kerb Weight includes the vehicle with a full tank of fuel, without occupants, luggage or cargo and with all standard equipment. Additional weight of optional features must be taken into account when calculating kerb weight. Vehicle dimensions/weights are approximate and subject to individual variances. Vehicles should be weighed before adding additional load, accessories or towing a trailer to ensure the maximum Gross Vehicle Mass (GVM) and Gross Combined Mass (GCM) are not exceeded. 9. Subject to State and Territory regulations. Payload is defined as the Gross Vehicle Mass minus the kerb mass. Payload is the maximum combined value of occupants, cargo, added options, added structures and tow ball download (when towing). GVM must not be exceeded. 10. Tow ball is not included in tow bar execution and is available for an additional cost. Contact your authorised Ford Dealer for more information.
