Musso. Striking, powerful, authentic.

The black ladder-style grille and projection headlamps with LED Daytime Running Lights (DRLs) flanked by triple stacked LED fog lamps give maximum roadside impact to this well-proportioned truck.

Pick-up strength SUV style

It's big. It's bold. It's built to do the job. Musso may be tough, but it's not rough. Its pick-up DNA is now more elegant whilst retaining an uncompromising work ethic. Its SUV heart is all sophistication and style.

Musso, a protected species

Saracen and Saracen+ work as hard as you do. After a hard day's graft, you want to wind down. Relax in a comfortable, welcoming interior. Safe in the knowledge that impressive technology is working to keep you securely on the road.

Blind Spot Detection Warning

Senses vehicles coming up in the blind spot behind or alongside, the system warns with a flashing light on the outside mirror and warning sound in the cabin.

Lane Change Collision Warning

Detects vehicles rapidly approaching from behind and flashes a warning light on the outside of the mirror and a warning sound in the cabin to alert the driver.

Rear Cross Traffic Alert

By using rear-corner radar, the system helps to prevent backing into crossing traffic by alerting when vehicles are detected.

With even more grunt

Towing

When it comes to towing, Musso pulls away from the competition. Nothing comes close to its total load capacity. Its pulling power of 3.5 tonnes is gargantuan (auto only). And a payload of up to 1205kg takes a load off your mind. To do both at the same time makes Musso unique amongst its peers.

Total load Capacity

Most pick-ups can't tow a trailer at maximum weight and carry a full payload at the same time, but Musso and Musso Saracen+ are different from most pick-ups. With a class-leading gross train weight of 6450kg (manual), 6750kg (automatic) and 6900kg (Saracen+), our Korean beast has the highest total load capacity of any pick-up on sale in the UK.

2.2L e-XDi 220

Max Power

202^{ps}

3800rpm

Max Torque

441_{Nm}

1600-2600rpm

Power

The new, more powerful, SsangYong manufactured turbo diesel engine has the power to deliver, but is more efficient and yet remarkably quiet. 6-speed manual transmission, or 6-speed Aisin automatic transmission, the Musso offers a choice of either.

Trailer Sway Control

Driving stability is improved by automatic detection and stabilisation when the trailer begins to yaw or sway.

	Man	Auto	Saracen+
Gross train weight (kg)	6450	6750	6900
Kerb weight (kg)	2145	2155	2195
Towing limit (kg)	3200	3500	3500
Payload (kg)	1150	1095	1205
Total load capacity (kg)	4305	4595	4705

Fully loaded

Built to easily carry an entire Euro-pallet, the load deck is the deepest on the market. It'll carry 1011 litres of cargo and it'll shift anything in the bed that weighs a tonne (or 1205kg). The load bed features cargo tie-down rings to strap down loads and a load liner as standard. The load bed has easy access via the wide opening tailgate. With a width of 1570mm and a depth of 570mm it offers an impressive space.

Build your Musso

Mud & guts

Primarily a pick-up, this is a pure off-roader by breeding. It shares its chassis and drive train with its sophisticated SUV cousins, so noise, vibration and harshness are minimised to levels you'd expect from a luxurious saloon.

Part-time 4WD

Part-time four-wheel drive allows the driver to choose when to activate the system, depending upon changing conditions on or off the road.

Hill Start Assist (HSA)

Hill start assist acts as an automatic handbrake and is a great benefit when driving in tricky conditions or towing.

Hill Descent Control (HDC)

A low speed control activates when the vehicle is handling a steep downhill drive, automatically controlling the rate of descent.

Try Saracen+ for size

Big is good. Bigger is better. And Saracen+ is best of all.

Musso And Saracen+ has the biggest load bed by volume than anything else on the road. Saracen+ is 5.4m long. The load bed is 1.61m.

Practical and imposing, its elegant profile belies its size with strong haunches, 18" black alloy wheels and a purposeful stance to give unmissable road presence.

1.57m

1.3m

1.57m

1.61m

Safety in numbers

Musso is equipped to cope with extremes. The safety measures are cutting edge and built-in to provide maximum security and reassurance in the most testing environments. The numbers all stack up.

6 airbags

Musso has 6 airbags for the greatest possible protection in the event of a sudden stop.

- 1 Driver's airbag
- 2 Passenger's airbag
- 3/4 Driver's & passenger's side airbags
- 5/6 Curtain airbags

79.2% of body chassis high density steel

High-density, high tensile-strength steel plate makes up 79.2% of all the steel used in the body and chassis, providing superb rigidity and protection against deformation in a collision.

Electronic brakeforce distribution anti-lock brake system

This smart braking system detects where braking force is needed and applies it to the front or rear wheels as required.

Electronic stability programme

ESP constantly monitors road conditions and vehicle status and automatically adjusts engine output and braking whenever the driver might lose control. It integrates the ABS, active rollover protection, anti-slip regulation and brake-force assist.

Traction control system

Musso's active vehicle safety system manages the traction available when accelerating on low-friction road surfaces.

Brake Assist System

BAS automatically activates full braking in an emergency to reduce the vehicle's braking distance to help avoid an accident.

ISOFIX

Musso has an ISOFIX point on both outer rear seats, ensuring ultimate safety for children travelling in the rear.

EX

The tough, no-nonsense entry level workhorse, Musso EX is far from stripped back, boasting unexpected levels of quiet sophistication throughout. Capable and uncompromising and tough enough to offer a 5-year or 100,000 mile warranty.

- 17" alloy wheels
- DAB radio with Bluetooth connectivity
- 6 airbags
- Manual air conditioning
- Push button start
- Power windows
- Remote central locking
- Rain sensing wipers
- Automatic headlight control

Rebel

Hard as nails but packed with creature comforts like Apple CarPlay & Google Android Auto. Side steps for an unmistakable pick-up look. Rebel graphics make it stand out from the crowd. Tough enough to offer a 5-year or 100,000 mile warranty.

As EX spec +

- Black & silver roof rails
- LED front fog lights
- Apple CarPlay & Google Android Auto
- TPU leather look seats
- 8" smart audio touchscreen with rear-view camera & Bluetooth connectivity
- Heated and ventilated front seats
- Heated steering wheel
- Black and silver side steps
- Rebel graphics

Saracen

A bit of luxury after a hard day's graft. Heavy duty outside but soft and luxurious inside, with nappa leather front seats, heated rear seats and top quality sound and infotainment. Saracen graphics give it a distinctive look. Tough enough to offer a 5-year or 100,000 mile warranty.

As Rebel spec +

- Premium nappa leather seats
- Power adjustable seats with driver lumbar support
- Heated rear seats
- 9.2" HD touchscreen with TomTom navigation, rear view camera & Bluetooth connectivity
- Apple CarPlay & Google Android Auto
- 18" black alloy wheels
- Electronic cruise control
- Front and rear parking sensors
- Privacy glass to rear windows
- Blind spot detection
- Lane change collision warning
- Rear cross traffic alert
- Projection headlamps
- LED daytime running lights
- Saracen graphics

Saracen+

The biggest and the best. Saracen+ has the lot. The biggest pick-up bed on the road. Pure indulgence inside. Pure muscle outside and bristling with safety aids. Tough enough to offer a 5-year or 100,000 mile warranty.

As Saracen spec +

- Biggest pick-up bed available
- Saracen+ graphics

SsangYong aftersales

Customer service

We care passionately about delivering outstanding customer service. Attention to detail is important, so any question you ask, we'll do our very best to answer it.

SsangYong assistance

All SsangYong new vehicles come with 12 months Roadside Assistance, providing you with the best level of customer care both in the UK and on Mainland Europe.

5-year warranty

It's reassuring to know that the Musso range comes with a 5-year / 100,000 mile warranty. It's a Korean thing. When we promise something, we stick to it. If something goes wrong and it's definitely our fault, we fix it. Our customers like it, and they tell other people about it. So everybody's happy.

£27.99*
PER MONTH

3-Year Service Plans

We've got your Musso covered for £27.99* per month

A SsangYong service plan will help maintain the 5-year warranty, prolong vehicle life, sustain vehicle performance and aid trouble-free motoring - giving peace of mind at a manageable monthly cost.

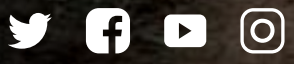

A SsangYong service plan covers new vehicles from registration and covers the following:

- ✓ The vehicle's first 3 scheduled services
- ✓ The vehicle's first M.O.T
- ✓ 2 Years extended RAC roadside recovery

*Service plans run for 32 months on Musso. Service intervals: 12 months or 12,500 miles
