

CABOOSE & CO

THE MAVERICK

Double Bedroom | 2 People

Our ground-breaking foldaway glamping pod, the Maverick, is truly a revolution in the market. This flat pack pod is versatile, stackable up to two storeys high, quick to deploy in less than 5 minutes and easy to store. Providing a safe, lockable and storm proof sleeping space for up to two people. Thanks to its low power requirement it is ideally suited to off-grid deployments, allowing you to take advantage of those hard to reach but great glamping spots.
